

On 11 December, our Atty. Barcelona was invited to be one of the panel member during the Global Forum for Women Leaders held in Busan, South Korea. Atty. Barcelona proudly talked Filipinas being Number One most empowered women in Asia. Philippines ranked Number 5 in the world's most empowered women based on the 2013 Global Gender Gap report by the World Economic Forum (WEF) and placed Number 9 last 2014.

At the forum, Atty. Barcelona shared center stage with political leaders, multimedia personalities in Busan, respected business leaders and leading advocates of women empowerment in South Korea.

Atty. Barcelona also cited that education is the key to empowerment. She said that our generation is very fortunate because we have mothers who strived to provide us equal access to quality education. Finally, she said that empowerment is good when it is used to inspire, to teach and to drive people to pursue their dreams.
